Date : Thursday October 24th, start at 6.00pm

Dear Madam,
Dear Sir,

We are very pleased to invite you to our annual seminar "Catching the Indian Tiger" where we look at the economic outlook in India. During the past years India has been undergoing significant and long-lasting developments in a variety of sectors, resulting in impressive growth figures. We also see that direct foreign investment is in a phase of acceleration, and that more and more Belgian companies are taking up the challenges offered by the Indian Market.

In our company testimonial we give the floor to Mr. Harold Boël. With his company Sofina he is focusing on India and over the years he has built up a very diversified and successful portfolio.

But also newcomers are looking at India : Startups.be is organizing a Go-Global mission to India, visiting Bangalore and Hyderabad home to the Indian tech and startup ecosystem.

We end the seminar with a Diwali ceremony, this festival of lights which coincides with the Hindu New Year, celebrates new beginnings and the spiritual victory of light over darkness; we are happy to celebrate this together with the Indian community in Belgium.
