

INVITATION

CATCHING THE INDIAN TIGER 2016

Date : Thursday December 1st 2016

Venue : ING Belgium, Avenue Marix laan 24, 1000 Brussels

Dear Madam,
Dear Sir,

The Indian Tiger is alive and vibrant ! Still nr. 1 in growth , and also showing the best growth potential for the future years, thanks to a mix of economic reforms and a growing middle class that is expected to grow to 89 million households by 2025. By that time India will have 69 cities with a population of more than 1 million and the economic output of some of these cities will resemble that of entire countries.

This means that next to investments in infrastructure smart cities and renewable energy Belgian companies should also look at the needs of the Indian consumers.

This seminar aims to target a broad range of companies from small and medium-sized enterprises to multinationals, already active in India or seeking for information to do their first steps in India.
